

## Loving God, Loving Others, Serving Together

Central Holston Christian Church has served God in the Hickory Tree community since 1909. While much has changed over the years the message CHCC wishes to share remains the same: To let people know that we love them and that God loves them, too.

At CHCC we love the Lord, and we love people too. It is our love for God and for our community that motivates us to engage our community through various ministries including a Community Garden, Vacation Bible School, Food Drives, and other efforts.

We hope you will join us for worship soon. We invite you to contact us if you would like to learn more about Central Holston and how the church might be a blessing to you and your family.

While life is sometimes hard, the Good News about Jesus is *good news* that is to be both celebrated and lived out. At CHCC

*Loving God, Loving Others, Serving Together*

best reflects our faith in God and our desire to share Jesus with you.

*Steve Page*, Senior Minister
